

Certificate of Compliance and Crashworthiness

Certificate Number PLAS006_SC

Navicade™ Channelizing Cone

Plasticade Products certifies that the Navicade Channelizing Cone meets or exceeds Part 6 of the Manual on Uniform Traffic Control Devices (MUTCD) 2009 Edition, Section 6F.

We also certify that the Navicade Channelizing Cone meets or exceeds the National Cooperative Highway Research Program (NCHRP) Report 350, Category II, issued by the Federal Highway Administration (FHWA) and AASHTO's Manual for Assessing Safety Hardware (MASH) and is deemed compliant as referred to in HAS-10/WZ-301. This includes the use of lights.

The Navicade Channelizing Cone is deemed to be "crash worthy" under the guidelines stated above.

In addition, the Navicade Channelizing Cone is listed as an approved device on the South Carolina DOT Approved Products List for Traffic Control Devices in Work Zones, dated November 2, 2016.

This certificate shall not be reproduced except in full.
