

Signicade[®] & Marquee[™]

- All Plastic Sign Stands
- Regressed sign area helps to protect sign faces
- Frames hold 2 signs 24" W x 36" H
- Sign face can receive vinyl sheeting (with surface preparation), metal, coroplast, or acrylic sign blanks
- Can be internally ballasted with dry sand
- Molded-in handle for easy portability
- Stacking lugs facilitate handling by keeping stacked units from sliding and damaging sign faces

Signicade comes standard in White, Orange, and Yellow

Marquee comes standard in White, Blue, Red, Black, and Green

Well Nuts

The use of well nuts on the sign stands makes changing signs easier by providing permanent mounting holes

Message Boards Available in Black or White for both the Signicade and Marquee

Coroplast Message Board comes with tracks permanently attached. 2 boards per kit.

Letter set contains over 300 letters and numbers plus "Sale" and "Special" headers and more.

Indexed box for letter storage and screws for attaching boards to frame are included in kit.

Marker Boards Available in Black or White for both the Signicade and Marquee

Marker Board kits include 2 sheets of coroplast in either white or black and one set of neon markers.

Markers will not rub off or wash off in the rain, just write on the coroplast and let dry for 3 minutes. To change sign, wipe with any glass cleaner with ammonia.

Screws to attach boards to sign frame are included in kit.
